

Leaving a Lasting Legacy

Estate and Succession Planning Workshop

March 8 in Lamar at the Home Ec. Building at the Sand and Sage Fairgrounds

March 9 in Rocky Ford at the Otero County Extension office at the Arkansas Valley Research Center

1:00 p.m. to 4:30 p.m. at both locations

Leaving a legacy that everyone can love depends on parents and their adult children being able to bridge the communication gap. It's hard to talk about death and what will happen after a loved one dies, but planning for the passing of a lasting legacy from one generation to the next gives families the opportunity to share their most important beliefs, wishes and lessons learned throughout a lifetime.

In this workshop you will learn about:

Sharing your values and life lessons with future generations.

Gifting your personal possessions having emotional value.

Planning for important end-of-life issues.

Transferring your finances and real estate.

Speakers:

Jeff Tranel, Agriculture and Business Management Economist with Colorado State University

Todd Hagenbuch, Routt County Extension Director with Colorado State University

Registration:

Cost is \$25/person. Refreshments will be provided

**RSVP by contacting Otero County Extension at 719-254-7608,
