2022 FAIR THEME

“ ”

In keeping with tradition, observance of our heritage and recognition of the future, the fair is based upon a theme created by a resident of Baca County. 4-H Clubs and FFA Chapters are **required** to follow the theme in their entries in the parade and/or booths.

GENERAL INFORMATION RULES AND REGULATIONS

NOTICE TO ALL EXHIBITORS

THE FOLLOWING RULES ARE GENERAL IN NATURE AND APPLY TO ALL DEPARTMENTS.

SPECIAL RULES PERTAINING TO EACH DEPARTMENT OR DIVISION ARE LISTED IN THAT RESPECTIVE DEPARTMENT OR DIVISION AND SHOULD ALSO BE CONSULTED. **IT IS THE RESPONSIBILITY OF THE EXHIBITOR TO BE FAMILIAR WITH THESE RULES.**

1. The Baca County Fair Board (referred to as Fair Board) reserves to its Executive Committee plus the Extension Agent, the final and absolute right to interpret these rules and regulations and to settle and determine all matters, questions, and differences in regard thereto, or otherwise arising out of or connected with or incident to the Show, and the right to amend or add to these rules as their judgment may determine. **An exhibitor who violates any of the following rules or any other rule stated in this premium book may forfeit all privileges and premiums and may be disqualified from exhibiting at the current and future fairs and be subject to other such penalty(s) as the Executive Committee and Extension Agent may order.**
2. Special rules or conditions are published in each department where necessary. If there is a conflict between rules of any department and the general rules and regulations, the special department rules will govern. If two departments conflict, the decision of the Executive Committee plus the Extension Agent is final.
3. **Under no circumstances may an exhibitor, parent, leader, or spectator: badger, insult, or be argumentative with a judge, superintendent, ring steward, or show and fair personnel. Any flagrant display of poor sportsmanship or an affront to the judge or Fair Board personnel by an exhibitor, a parent or on behalf of an exhibitor may result in exclusion of the individual from the Fair. An exhibitor may be excluded from future competition and forfeit all privileges, premiums and awards, and may be subject to additional penalties as the Fair Board and Extension Agent may order.**
4. Competition/show for open classes is open to all participants who qualify according to department specific rules, regardless of county residency. Competition/show Junior Livestock Shows is limited to bonafide members of the Baca County 4-H Program or Baca County FFA Program.
5. The Baca County Fair Board, Baca County Commissioners, Colorado State University Extension Agent, the Superintendents, with the assistance of the Baca County Sheriff's Office, will use diligence to ensure safety of exhibits after arrival and placement, but in no case will the Baca County Fair Board, Baca County Commissioners, Colorado State University Extension personnel, or the Superintendents be responsible for any loss, damage or injury of any character to any property while on the grounds or any time or place, nor be liable for or make any payment for the value thereof.
6. The Baca County Fair Board reserves the right to

exclude from the Fair any person or persons who have violated any of the rules herein. The Fair Board further reserves the right to decline acceptance of entries at any time without statement of reason.

7. No animal, booth or article will be entitled to a place on the fairgrounds until a proper entry has been made.

8. 4-H/FFA members must enter exhibits by July 1, of current year through the Extension Office. Entries received after July 1 and before July 8 will be charged a late fee of \$25.00. Entries received after 4:30 p.m., July 8 will be turned away.

9. Open entries are to be made by presenting the exhibit to the superintendent in charge of the respective division on the date and at the time specified in the Special Rules for that division.

10. All exhibitors must obtain an exhibitor number from the Minnick Bldg. Fair Office prior to entering their exhibit with that department's superintendent.

11. The Baca County Fair Board and CSU Extension Office personnel assume no responsibility for errors in entry.

12. The Baca County Fair Board shall reserve the right to limit entries to facilities available and cancel any division or class in which, in its judgment, the entries are insufficient to secure adequate competition. Any limitation of entries under this rule will be done on a non-discriminatory basis.

13. The Baca County Fair Board and CSU Extension Office shall reserve the right to declare as ineligible and remove any entry that has been entered in violation of these rules.

14. Fair Superintendents, after consulting with the CSU Extension Agent, reserve the right to reject any exhibit, make changes in existing rules, or combine classes if such classes will improve the fair. All Rule Changes must be clearly posted.

15. Adding classes in addition to those printed in this premium book is at the discretion of the Superintendent and with the permission of the CSU Extension Agent.

16. The Baca County Fair Board, County Commissioners, and CSU Extension do not discriminate on the basis of race, color, sex, religion, age, disability, veteran, marital status or national origin in its policies or activities.

17. Articles entered for show in the fair must be the work of the exhibitor.

18. Exhibitors are limited to only two entries in any one class in the open and junior divisions.

19. Exhibits may not be advertised for sale during the fair.

20. No animal or article on exhibit can leave the fairgrounds until released by the Superintendent in charge of that department. Superintendents shall receive written permission from CSU Extension personnel.

21. Judges will not award prizes to an unworthy exhibit. It is the intention of the department that no premium or distinction of any kind shall be given any animal or article that is not deserving. This rule will be strictly adhered to whether or not there is competition.

22. WHERE THERE IS NO COMPETITION between exhibitors, only ONE PREMIUM will be awarded unless otherwise specified in the department. The premium to be paid and the ribbon to be placed on the exhibit are to be left to the discretion of the judge. Merit of the exhibit is to be the determining factor.

23. No more than two premiums will be paid (refer back to #18 above) nor more than two placings awarded to any exhibitor in any one class in the open and junior divisions.

24. The American system of judging (where exhibits are

given blue ribbons for first, red for second and white for third) will be used for all junior exhibits. Only placings of first, second and third will be awarded premium ribbons and premium money. All others will receive participation ribbons. Superintendents, at their discretion, may utilize the Danish System (where exhibits are given blue ribbons for excellent work, red ribbons for good work and white ribbons for average work)- i.e. 4-H General Projects.

25. **PROTESTS** - Unless otherwise specified in the Department Rules, an individual must file a written and signed protest with the Executive Committee within 12 hours after the occasion for a protest or alleged violation occurred. The protest must state plainly the cause of the complaint and be accompanied by \$50 cash deposit or certified check, which will be forfeited if protest is not sustained. Upon receipt of a properly presented protest, the Fair Board President will appoint a committee to review the protest and tender a decision, which shall be considered final. The full deposit will be refunded if the protest is sustained. Neither a member of a review committee, the Baca County Fair Board nor Executive Committee will be held liable for any decision or penalty invoked as a result of a protest.

26. **Judges' decisions are final and not eligible for appeal or protest.**

27. **DISPUTES** - The Baca County Fair Board reserves the final and absolute right to interpret the Rules and Regulations, to settle questions of differences, and to assess appropriate penalties for violation of these rules.

28. **CONCESSIONS AND ADVERTISING PRIVILEGES** - All exhibits, concessions, and/or commercial privileges are at the sole discretion of the Fair Board Vendor and Entertainment Committee. Under no circumstances will any advertising material be allowed to be placed upon buildings, trees, or other places on the grounds, or otherwise distributed without Fair Board permission.

29. **FAIR FOOD CONCESSIONS**— Food or drink vendors (profit, non-profit, youth or adult) may sell any items at the Fair with the approval of both the Baca County Fair Vendor/ Entertainment Committee and the CSU Extension Office. 4-H Council Concessions will receive priority. (Paul Chatham—Superintendent)

30. **CAMP TRAILER PARKING** - Parking for campers, trailers and RV's will be along the south fence. Reserve camper trailer space at the Baca County Commissioners Office. Money must be paid with reservation. **Please make check payable to Baca County.** There are only 20 spaces and they will be issued on a first come first served basis. Campers will be towed away for non-payment. The Commissioners Office will provide a parking sticker. Cost is \$10.00/ day for 30 amp spaces and \$15.00 / day for 50 amp spaces. Camper spaces have electricity, but no sewer hook-ups.

31. **OPENING AND CLOSING EXHIBIT BUILDINGS:**

a. Exhibit buildings may (see Schedule for specific times) open daily. The Minnick Buildings will be **closed** on Monday, Tuesday and Wednesday afternoon, respectively while exhibits are judged. All exhibit buildings may be closed during the parade and barbeque. The Minnick Buildings will be closed at least one hour prior to release time.

b. **Releasing of exhibits will occur at the times specified in the Schedule of Events. Breeding animals may be released following their respective shows.**

32. All FFA/4-H members must be at least eight years of

age, or must not have reached their 19th birthday as of December 31, of the current enrollment year and must satisfy other eligibility requirements (if specified) for a class, to compete in that class.

JUNIOR SHOW

Special Rules and Regulations:

1. All general rules and regulations of the Baca County Fair pertain to the Junior Show.
2. All exhibitors in the Junior Division must be a member in good standing of a Baca County 4-H Club, or FFA Chapter and must be enrolled in the project in which he or she is exhibiting. High School graduates may exhibit through the summer of their high school graduation year.
3. No exhibitor shall be entered more than once in the same class or unit or any article entered for more than one premium (horticulture, crops, and livestock are exceptions). In these divisions, no more than two premiums will be paid nor more than two placings awarded to any exhibitor in any one class.
4. Where records are required as part of the exhibit, they may be in either pencil or ink or e-record by computer, except livestock and crop records, which must be done in pencil or e-record by computer. Pencil is preferred for Junior record books, but spelling, accuracy and neatness will always be a priority.
5. All exhibits, except livestock and crops, must be labeled with name, age, and address (city and county) of exhibitor.
6. There may be divisions where separate classes are offered for Cloverbuds, Junior, Intermediate and Senior exhibitors. Cloverbuds are those members who are 5-7 years old, Juniors are those members who are 8-10 years old, Intermediate are those members who are 11-13 years old, and Seniors are those members who are 14-18 years old as of December 31 of the current 4-H year.
7. All exhibits must have been made by the Junior exhibitor in the current year.
8. All Consumer Science and General 4-H projects will be interview judged. Interviews must be completed in person. Superintendents decisions are final and not subject to protest.
9. All exhibits receiving a State Fair Sticker (First Place or Champion of Unit) may be brought to the CSU Extension Office by the date and time designated by CSU Extension Agent. **All exhibits going to State Fair shall be well packed in a box for handling and transportation by the exhibitor.** The CSU Extension Office will provide transportation of exhibits to the Colorado State Fair.
10. All records and record books must be signed by the main Organizational 4-H club leader or this main leader may delegate responsibility to an appropriate "project leader", in order for that project to be entered in the fair. When there is no place to sign in the book, it is be signed on the inside front cover.
11. All exhibits must remain on display or in the barns until released by the department superintendent.

JUNIOR LIVESTOCK SHOW

Special Rules and Regulations:

1. All general rules and regulations of the Baca County Fair and Junior Show Rules and Regulations pertain to the Junior Livestock Show.

2. All members must attend a Meat Quality Assurance Training when required. It is the responsibility of the member to know these requirements. They must also have a Meat Quality Assurance Agreement form on file at the Baca County Extension Office prior to the start of the fair. The MQA test must be taken the first two years a 4-Her enrolls in a livestock project, and at the first year of each new level, Intermediate, or Senior. This form will be retained by the Extension Office. All swine exhibitors planning to exhibit at the Colorado State Fair must also pass a Pork Quality Assurance exam which is given at the MQA classes every year. Requirements of the PQA test are different from the MQA. Exhibitors with questions, please consult the CSU Extension office by March 1 each year.

3. An up-to-date livestock record book(s) must be turned in to 4-H Leaders present at the pre-Fair Clean-up Day from 2-5 PM and checked for the 4-H'er to be able to show or sell an animal in the current year's Fair.

4. All completed livestock record books must be turned into the Extension Office by the second Tuesday in September (of the current year) for the 4-Her to be able to show or sell in the next year.

5. All 4-H and FFA Exhibitors are required to be at clean-up days before AND after Fair unless excused by the Extension Agent or Fair Board President.

6. All 4-H and FFA Exhibitors are required to enter and show in their respective species showmanship class to be eligible to show and sale at the current year's Baca County Fair. This rule is in effect for all species, market and breeding, for all entered animals. Those members showing in both breeding and market in the same species are only required to enter showmanship once for that specie. Members must exhibit in showmanship for any and all species they intend to show and or sale. Any animal deemed too unruly to handle is ineligible to exhibit and will be removed from the show ring and/or the Baca County Fairgrounds immediately if requested by the Superintendent in charge or the CSU Extension Agent. If a member's only animal is removed for unruly behavior, another exhibitor's animal may be used to complete the showmanship requirement; however, the individual is not eligible to receive Champion or Reserve Champion Showman.

7. Exhibitors in the Junior Livestock show must have continuously owned, had in their possession and personally cared for their livestock on or before the following current year's date or the weigh-in date selected by the Extension Agent for market animals, listed below, and be able to provide proof of ownership by the listed dates:

Market Steers and Heifers.....	March 17
Breeding Animals (all species).....	May 1
Horses & Dogs.....	May 1
Market Lambs and Goats	May 6
Market Swine.....	May 19
Market Chickens.....	June 15
Breeding Turkeys.....	June 1
Market Rabbits.....	July 7

8. All animals with the exception of horses, cannot be owned in any type of partnership and must be the sole property of the Exhibitor.

9. Females exhibited in this Junior Livestock Show may be registered or grade animals unless otherwise specified.

10. All registered animals, with the exception of horses, must be registered in the name of the junior exhibitor prior to May 1 of the current year and a copy of the registration

papers placed on file in the CSU Extension Office by that date. **For registered females born from March 1 to April 1 of the current year, an Affidavit Of Ownership form will suffice. See affidavit requirements.**

11. Exhibitors of all grade gilts and ewes will be required to show an Affidavit of Ownership on any and all animals exhibited. These ownership affidavits must have been issued in the name of the exhibitor and a copy placed on file in the CSU Extension Office prior to May 1 of the current year. See affidavit requirements.

12. Exhibitors of all market beef, lambs, swine, goats, rabbits and poultry will be required to show an Affidavit of Ownership on any and all animals exhibited. These ownership affidavits must have been issued in the name of the exhibitor prior to date specified in rule number 7 under Junior Livestock Show. See affidavit requirements, #13.

13. Only affidavit forms available at the CSU Extension Office will be acceptable. They must be signed by the seller, purchaser, and a parent/guardian. If the animal(s) being exhibited are offspring of animals owned by the exhibitor, the affidavit must be signed by the exhibitor and a parent/guardian. No Exceptions. This important Affidavit is used to verify origin, as well as Baca Bred and Fed Awards.

14. A photocopy of all purchase sheets, Affidavits of Ownership, or Brand Inspection Certificates will be collected at the spring weigh-in dates or date specified by CSU Extension Agent on each market animal and kept on file in the CSU Extension Office.

15. An ear tag, leg band or permanent mark must identify all livestock exhibited in the various market classes. Tagging of animals will be done when they are weighed on dates specified by the Extension Agent.

16. All market animals must have received individual ownership designation at the time of tagging.

17. Any market animal exhibited at the Baca County Fair Junior Livestock Show may not have been shown at any livestock show such as the Colorado State Fair or National Western Stock Show or other state, national or any other County Fair Livestock show.

18. Animals deemed unworthy of competition by the Superintendents or Fair Board may be barred from competition and shall be immediately removed from the fairgrounds.

19. Exhibitors of livestock must exercise due discretion in regard to the animals they are exhibiting whether in the ring, stall, pen, or other places on the fairgrounds and must assume all responsibility for any damages caused by or to their animal.

20. Exhibitors, at all times, must give their exhibits necessary personal attention, and extreme good care while located on the Baca County Fairgrounds.

21. The Superintendents shall exclude stock from competition should there be any unnecessary or embarrassing delay on the part of the exhibitors in bringing animals into the show or sale rings. There is no appeal or protest for this judgment call.

22. Stalls/pens for the Baca County Fair will be available in designated areas for the species. **The species Superintendent will stall all animals by club.**

23. A **“Family Animal/Pen”** can be weighed-in at the species weigh-in date, in the spring, or upon nomination. At that time, the animal is assigned to the family, not an individual member. This animal is only to be used **IN AN**

EMERGENCY if one of the families other nominated animals has died, been crippled, or diseased and is unable to show at the Baca County Fair. **The “Family Animal/Pen” is not to be used if he/she becomes a better prospect for showing.** In the case of one of the emergencies listed above, the CSU Extension Agent must be contacted. At that time, the “family animal/pen” will be assigned to the appropriate youth in replacement of their previously nominated animal. This ruling cannot be challenged. Youth may be asked to verify the death or illness. In the case that no death, illness, or lameness occurs, the “family animal/pen” is eligible for sale on the floor plan only and not to show. In order for the animal to sale on floor plan, it must be weighed-in at fair weigh-in and signed up on the floor plan list by an active 4-H or FFA member from that family by the designated time.

24. Exhibitors must accompany their livestock to the show, care for, and exhibit their animals. Only the exhibitor will be allowed in the show ring during official judging. In case of sickness or emergency, an animal may be shown by a substitute, providing the substitute is a bona fide Baca County 4-H or FFA member and permission is granted by the Superintendent and/or the CSU Extension Agent.

25. In market classes, the Superintendents will determine class divisions and the number of animals in each class after the animals are weighed. Classes and weights will be posted in barns as soon as possible after weigh-in.

26. Each Department Superintendent reserves the right to group or combine classes for the sake of competition and the good of the show.

27. The official weight for entry and sale of livestock will be made at time of weigh-in. State of Colorado Certified Scales will be used. Animals are to be weighed-in at specified times. No early weigh-ins of any animal is allowed. **Market animals will only be weighed once deeming the official entry weight. There will be no reweighing of market animals.** Animals must enter the scale clean and dry with only a halter or collar on. Market animals can be exhibited by weight, breed or both.

28. Entry weights will be used for market classes and “floor plan” weight. Minimum market weights are: Pigs—210 lbs.; lambs—100 lbs.; goats—50 lbs.; and market beef - 1,000 lbs. Animals failing to meet the market class and sale weight requirements may be taken home or shown in the under-weight or feeder classes. These animals are not eligible for champion designation or for the sale. No premiums will be paid on underweight classes. **Pigs on the “floor-plan” will only be paid to 270 pounds. State Fair pigs may be taken home after the Swine Show with written permission from the Swine Superintendents and submitted to the Fair Office.**

29. Any animal fed in a commercial feed lot will be disqualified and be prohibited from showing and selling.

30. All animals exhibited may be subject to examination by a licensed veterinarian and elimination from the show if the veterinarian so advises.

31. It is the exhibitor’s responsibility to be at the proper place and time for entry, weigh-in, and showing and selling of their exhibit.

32. Any animal deemed too unruly to handle is ineligible to exhibit and will be removed from the show ring and/or the Baca County Fairgrounds immediately if requested by the Superintendent in charge or the CSU Extension Agent.

33. The Baca County Fair will not furnish straw or bedding. Members are responsible for providing, laying, replacing, and cleaning their own bedding of choice.
34. Pens, stalls and tie-outs are to be kept clean during the entire fair and be cleaned by the exhibitor prior to being released from the fair.
35. Unethical practices will not be condoned. Unethical practices include but are not limited to, the following: Doctoring, doping, or injecting show animals for body “fill-ins” or the alteration, changing, defacing, or any modification of the markings of show animals and the anatomical structure of an animal; the removal, alteration, changing, or purposely damaging ear tags; any type of injection where oils, glycerin, or like substances are used for body “fill-ins”; external application of such things as liniments and blistering agents that would cause an edematous (swelling) condition; use of ice packs or other refrigerants to alter the quality of finish of an animal. **The Baca County Fair is a “Blow and Go Show”.** No animal shall be decorated with any unnecessary trappings, etc., during the judging. No altering of color or structure of hair or wool coat in any way, except for trimming or blocking, will be allowed. Any entry that shows evidence of artificial color when rubbed with a cloth or glove shall be disqualified. This does not apply to hoof dressing on hooves. Any entry adding an artificial tail head or tail fin, artificial poll, or adding any hair or hair-like substance will be disqualified. The showing of livestock of any ineligible age or showing unethically fitted livestock is prohibited. Any exhibitor found guilty of any of the above listed unethical practices, or any other practice deemed unethical by the Baca County Fair Board of Directors, will forfeit all premium monies, not be allowed to sell in the Junior Livestock Premium Sale and the owner of the animal may be barred from any future shows.
36. The Baca County Fair supports the Colorado Revised Statute 18-9-207, an Act Concerning the Unlawful Alteration of Livestock by Tampering or Sabotage. The Fair Board requires compliance with said law by exhibitors. Violation of this rule and law is a Class One Misdemeanor.
37. The Baca County Fair endorses and supports the USDA Wholesome Meat Act and requires that exhibitors are in compliance with said act.
38. All livestock will remain the property and in the possession of the exhibitor until they are loaded for shipment and have been accepted by the purchaser as wholesome. The Fair Board assumes no responsibility for loss due to death or injury to any animals during or following the fair.
39. THERE ARE NO TINY TOT CLASSES in Beef or Horse. (Tiny Tot Classes are not endorsed by CSU Extension or the 4-H program.)
40. Only animals that have been awarded first place premiums will be permitted to compete for Champion. The remaining first premium winners and the second premium winners in the class from which the Champion was selected may compete for Reserve Champion.
41. Exhibitors will not be limited as to the number of animals they may enter in individual classes; however, no more than two premiums will be awarded to any one owner in individual classes.
42. Any antibiotic, medication, pesticide, or other substance administered to any market animal on the fairgrounds will be administered by or under the direct

supervision of a licensed veterinarian or with the approval of the Superintendents and CSU Extension Agent.

43. The Baca County Fair Board reserves the right to screen or test any market animal for drug residues of any nature and take any action deemed appropriate if testing results show any positive residues above naturally occurring levels.

Random checks for drug residue and disease will be performed by licensed veterinarians and slaughtering plants. Any 4-H or FFA member found to be in violation will forfeit all monies, not be eligible for the Junior Livestock Premium Sale and may be barred from any future shows.

44. All persons from outside Baca County, except those families who are members of Baca County 4-H Clubs or FFA Chapters, are prohibited from fitting, caring for, and handling junior livestock exhibits.

45. Exhibitors are not permitted to bring portable scales into the barn area.

46. Blocking chutes and clipping stands must remain outside the barns. Special permissions may be granted by the CSU Extension Agent or Baca County Fair Board in the event of inclement weather.

47. Feeding and watering of livestock in the alleyways, on the wash racks, or in the show ring will not be permitted at any time.

48. Market animals exhibited in market classes are ineligible to be exhibited in breeding classes and animals exhibited in breeding classes are ineligible to be exhibited in market classes.

49. Male animals having one or both testicles contained in the body cavity are not eligible to show or sell.

50. All market classes are open to castrated male and intact female animals.

51. Any animals having external fungus or parasites will be disqualified and removed from the fair grounds.

52. All breeds may be combined for judging, according to the Superintendent's discretion.

53. 4-H and FFA members who sell at the Junior Livestock Premium Sale may be required to ultrasound one live sheep, goat or pig for meat quality educational purposes.

54. To be eligible for the Baca Bred and Fed class, market animals must have been born and raised in Baca County. Entries must be designated on exhibitor's fair entry and have an Affidavit of Ownership for proof. The top three placing animals from each class that qualify as Baca County Bred and Fed will be brought back to show in the Baca Bred and Fed Class.

55. Barns will close at 9:00 p.m. on Tuesday night. Any animals that arrive between 9:00 p.m. on Tuesday and 7:00 a.m. Wednesday will not be allowed to show.

56. Breeding animals may be released after their respective shows.

LIVESTOCK PROJECT RECORD BOOKS

1. To be eligible to exhibit livestock projects at the Baca County Fair, livestock record books must be turned into 4-H Leaders between 2:00-5:00 p.m. at Fair Clean up Day on **July 27, 2022.**

2. ALL RECORD BOOKS MUST BE COMPLETED BY THE EXHIBITOR. PARENTS CAN HELP AND ARE ENCOURAGED TO DO SO, BUT KEEP ADULT INPUT TO ASSISTANCE AND ENCOURAGEMENT. The judges are instructed to disqualify an exhibit and record book if, in their opinion, the records indicate an unreasonable amount of

adult assistance. Top Record books may be interview judged.

3. All record books must be signed by the respective 4-H Club Organizational Leader, or FFA Advisor on the inside front cover.
4. Record book competition will be divided into divisions. (Livestock and General-including Dog and Cat)
5. The record book must reflect the number of animals entered in the fair. **One** record book is to be inclusive of all breeding and market animals. More than one species can also be included in one record book.
6. Project record books will be judged on neatness, accuracy, and completeness.
7. Judging will take place in September on merit.

4-H GENERAL PROJECTS

Rules and regulations: All 4-H general projects are open to properly enrolled Baca County 4-H members.

1. All general rules and regulations of the Baca County Fair and special rules and regulations for the Junior Show apply to 4-H general projects.
2. All general 4-H projects will be judged on exhibit, record book and interview. Interviews must be completed in person. If exhibitor fails to interview their project is not eligible for placing or State Fair exhibition.
3. The American system of judging (where exhibits are given blue ribbons for first, red for second and white for third) will be used for all junior exhibits. Only placings of first, second and third will be awarded premium ribbons and premium money. All others will receive participation ribbons. Superintendents, at their discretion, may utilize the Danish System (where exhibits are given blue award ribbons for excellent work, red award ribbons for good work and white award ribbons for average work).
4. Overall Grand and Reserve Champion rosettes will be awarded according to the Superintendent's project grouping . Grand Champion and Reserve Champion ribbons will be awarded in each class from the blue ribbon group only.
5. Only the first place (out of the Blue Awards) exhibit in each project unit will be eligible to exhibit at State Fair.
6. **IMPORTANT: For Specific requirements on each unit and class number, you will need to consult the Colorado State Fair General Projects Requirements Syllabus. Every organizational 4-H club leader has a copy. Requirement sheets and the State Fair Syllabus are also available on-line at www.co4h.colostate.edu or in the CSU Extension Office. Please ask for help if you need it.**
7. Projects previously exhibited at the Baca County Fair are strictly prohibited except where allowed as part of an ongoing project as outlined in the Colorado State Fair General Project Requirements.

Colorado State University Extension Position on Lamb Tail Docking Issue 3-13-06

The mission of Colorado State University Extension is to provide information and education, and encourage the application of research-based knowledge.

The State 4-H office and county Extension offices cannot dictate show rules to county fair or the state fair. It is up to local fair boards and state fair management to set their rules and in turn enforce those rules. However, it does lie within the mission of Extension to:

- Provide Extension clientele with accurate, research-based information to individuals, livestock shows, fairs, and various associations on which Extension clientele can use to base policies and rules.
- Cooperate in research projects to further the knowledge and research base to address this issue.
- When requested, assist a county fair board in the successful implementation of enforceable policies and rules to address the issue. Examples include:
- The .7 inch minimum standard used in some states as measured with the De-Tail Device.
- The 2006 Wyoming State Fair policy of minimum of three (3) full coccygeal/ caudal vertebrae in place.

While CSU Extension cannot dictate rules and procedures to livestock shows, we do have the obligation to ensure that Extension educational efforts are based on sound production and animal husbandry principles. CSU Extension also strives to ensure that policies guiding the management of 4-H livestock projects are congruent with the recommended sound management practices set forth by animal industry and animal health organizations.

DEPARTMENT 20—JUNIOR HORSE SHOW

All entries must meet all General Fair Rules and Regulations, Junior Show Rules and Regulations, and Junior Livestock Rules and Regulations.

Superintendent—

General Rules and Regulations:

1. Showmanship: In order to complete a 4-H Horse project, the exhibitor must complete their record book and show one horse or pony in the appropriate Showmanship Class. Only horses used in Showmanship and Performance classes will be eligible for the "All Around Performance" competition points.

2. Ownership is not required in horse classes. Exhibitors in the Junior Horse Show must have continuously had in their

- possession and had the major responsibility for the management, care and training of the horse on or before May 1 of the current year, except 4-H After School Project. A Horse Identification Certificate, and a copy of the registration papers, if registered, must have been placed on file in the Extension Office by May 1 of the current year.
3. The Colorado 4-H Horse Show Rule Book is used as a guide for the Junior Show, and is the official rule book for the Baca County Fair.
 4. Only those Horse Identification Certificates available at the Baca County Extension Office or online @ www.colorado4h.org will be acceptable. They must be properly signed by the exhibitor, parent or guardian, owner, and a 4-H club leader.
 5. The Baca County Fair is an “age” determined show and not a “Levels” show. Exhibitors are judged in the different classes according to their age, and not their skill level. This includes 4-H After School & Rescue Horse.
 6. FFA exhibitors are allowed to show horses as long as they have turned in their Horse ID papers to the Extension Office by May 1 of each year, and have completed their FFA record book, completed a Meat Quality Assurance training and they properly enter the classes by the Fair Entry Deadline.
 7. Each 4-H/FFA exhibitor is allowed to ID up to four (4) horses. Up to four (4) horses may be shown in the Halter Classes, so long as they are not in the same class, at the Baca County Fair. Only One (1) horse may be shown in the Performance Classes and will be designated by the horse shown in the Showmanship class. “All Around Performance” points are awarded to one horse which is designated by the exhibitor and is also shown in the Showmanship class.
 8. Halter Classes: The Halter class is based on the age of the horse or pony shown. Each exhibitor may show up to four (4) horses in these classes, but only one horse in each class. Points are not awarded in this class toward the “All Around Performance” competition. This class stands alone on its own merit and receives a Champion and Reserve Champion award.
 9. All Around Performance: This competition is the composite of points from each of the Performance Classes (Western Pleasure, Western Riding, Western Horsemanship, Reining and Trail) and this horse must be shown in the Showmanship Class. Trophies are awarded in each age division for the “All Around Performance” competition. To be eligible for “All Around Performance” horse, the horse must also be shown in the Showmanship Class.
 10. The Superintendent will determine whether an animal is a horse or pony.
 11. All foals become 1 year old on January 1 and the age will advance one year each January 1 thereafter.
 12. **Horse entries are due in the Extension Office by July 1, of current year.**
 13. All horses entered in any division **must** be included in the exhibitors Horse Project Record Book and listed on Horse ID papers as a project animal as of May 1 of the current year.
 14. No intact male horses (Stallions) are permitted in any 4-H horse show at the fair.
 15. No horse will be shown by more than one exhibitor. No “family” animals are allowed in horse.
 16. Class patterns (showmanship, reining, western riding, and English control) are shown in the Colorado 4-H Horse

Rule Book. The patterns to be run for the respective classes will be selected by the judge. The judge will make his/her selection from these patterns and these patterns will be posted at least one hour prior to running the class.

17. Riders who do not have their mounts under suitable control will be excused from the ring and disqualified.

18. A contestant who is handicapped by equipment failure or by the horse casting a shoe will be allowed seven minutes to stop and make repairs. The contestant will then proceed from the point of failure and complete the class. If, in the opinion of the judge, the contestant is able to continue the class in a safe and humane manner, no penalty will be assessed. The judge and/or show management will make the final decision concerning stopping and repair of equipment.

19. A judge shall have the authority to require the removal or alteration of any piece of equipment which, in their opinion, would tend to give a horse or rider an unfair advantage. Inability to alter prohibited equipment will be penalized or disqualified at the discretion of the judge.

20. A 4-H horse test will be required to be taken.

21. Showmanship will be the tie-breaker in the Performance Class and the judge will designate which class to use as the tie breaker in the Versatility Class..

Section 20C—Versatility Ranch Horse

This event showcases the multiple talents of one horse and one rider in 4 different areas of competition. Focusing on cattle handling and basic riding skills. The same horse is to be used in all classes.

1. A stock fee may be charged.
2. Tack and dress attire are listed in the Colorado 4-H Horse Show Rulebook.

3. Classes:

- A. Cattle Sorting
- B. Individual Cattle Work
- C. Horsemanship
- D. Trail

Description of Classes:

A. Cattle Sorting: A judged event with a time limit of 4 minutes. 30 second warning will be given. Rider is given a number. The rider is to sort out that number and **the next two numbers in order** while pushing cow beyond white line. Superintendent will designate turn back riders. Cattle are to be sorted in numeric order, starting with designated number. Cattle must be individually sorted one at a time. If more than one animal crosses line, even if it is the next animal to be sorted, it must be brought back to the herd and sorted out, individually, in order to be counted as successfully sorted. No more than 2 head are to cross the line at one time. Where "designated" cattle go after crossing sort line is irrelevant. **No credit** will be given for finishing early and each run will be scored on degree of difficulty and the contestant's ability to handle the cattle.

B. Individual Cattle Work: The rider will enter the arena and a cow will be turned out. The rider must box cow at the end of arena to show horse and rider's ability to control the animal. Then cow is to be taken down the fence and turned in both directions. First turn must be made past designated marker on either fence. 3 minute time limit.

C. Horsemanship: Pattern will be provided.

D. Trail: Pattern will be provided: Rider has 3 attempts per obstacle before being asked to move on to next obstacle.

5. Working Ranch Horses are not eligible for Round Robin. There is no Showmanship Class.

TACK AND ATTIRE

- Saddle shall be of a western roping type, with a double rigging and equipped with a cinch hobble. Exception: A center fire rigging may have a single rig. Horn shall be wrapped and designed for roping, either rubber wrapped or with an additional leather wrap. Saddle blanket(s) or pad(s) must be used and shall be in good condition and of a size to protect the horse while doing ranch work. A breast collar is highly recommended.
- Bridles. Snaffles must have browband type bridles. Curb and spade bits may have one-ear, split ear, or browband type bridles. Bosals and/or Jaquimas may have a fiador or simple hanger. Bosalitas may have a simple hanger or a thong tied to the forelock. All bridles must be humane and in good repair.
- Reins- may be split, romal or mecate sufficiently long to allow the horse to walk on a draped rein.
- There are no horse's age restrictions for types of bits or bridles used, however all chosen equipment must be used correctly. Snaffles and bosals must be ridden two handed (with the exception of while using a rope or any other task requiring the use of a free hand), curb/leverage bits must be ridden one handed, a two rein outfit must be ridden one handed. More credit will be given for riding one handed (curb, two rein outfit, spade).
- Attire- Rider shall wear western style clothing that is well fitted and work-like in appearance. Shirts must be

long sleeved, full length (chest and midriff covered), long pants, western riding boots, belt, and cowboy hat (helmet). Optional attire: gloves, ties, chaps, chinks, vests, jackets, raincoat, scarf, and safety helmet.

- Rope, Lariat or Riata - The riders must have and carry a rope, lariat or riata, at least 30' and no more than 70' in length, attached to their saddle for all classes that require roping, in a manner that the rope is accessible while mounted and does not interfere with the saddle horn or rider. For classes providing a rope to drag a log, the rider should not have a rope tied to their saddle. The rope, lariat or riata used may be nylon, polyester, rawhide or leather. Hondas may be nylon, polyester, rawhide, leather, metal or breakaway styles.
- Optional Equipment: Hobbles, Spurs, Chaps/chinks, Skid, Splint, bell boots, Safety helmet, Get Down Rope.
- Prohibited Equipment:
Tie Downs, Loop Reins, Tack Collars, Jerk Lines, Whip or Bats, Mechanical Hackamores, Gag Bits.
* The Judge may prohibit the use of any equipment deemed too severe or inhumane.

Section 20D—English Performance Horse Classes:

1. English Equitation
2. English Control

Description of classes:

1. English Equitation. Judged on seat, hands, and performance of horse and rider. Rail work and pattern. Rules in the Colorado 4-H Horse Show Rulebook will be followed.
2. English Control. Judged on skills executed in required pattern. Rules in the Colorado 4-H Horse Show Rulebook will be followed.

Tack and dress attire rules are listed in the Colorado 4-H Horse Show Rulebook.

SHOWMANSHIP CONTESTS

All entries must meet all General Fair Rules and Regulations, Junior Show Rules and Regulations, and Junior Livestock Rules and Regulations.

Showmanship Contest Special Rules:

1. All 4-H and FFA Exhibitors are required to enter and show in their respective species showmanship class to be eligible to show and sale at the current year's Baca County Fair. This rule is in effect for all species, market and breeding, for all entered animals. Those members showing in both breeding and market in the same species are only required to enter showmanship once for that specie. Members must exhibit in showmanship for any and all species they intend to show and or sale.
2. These contests will be divided into three age groups: Juniors are 8-10 years of age; Intermediates are 11-13 years of age; Seniors are 14-18 years of age as of December 31 of the current 4-H year.
3. Any showmanship animal must have been shown in a junior show class.
4. Contestants must show their own animals in this contest and may be asked to trade animals with other contestants at the direction and discretion of the judge.
5. Contestants will be judged on their skill as "showmen" and on the dress and appearance their animals make before the judges. The breed or individual conformation of the

animals shown will not be considered.

6. Winners receive awards as there are no premiums paid in Showmanship.

Round Robin Showmanship Contest

Special Rules and Regulations:

1. The judge for each species will select two individuals to participate in the Round Robin Contest for the showmanship contest.

2. Showmen competing in the Round Robin will be required to show all required classes of livestock entered in contest. A system of using each other's animals and equipment will be used.

3. There will be four minutes allowed per division, with both showmen showing each animal for two minutes.

4. Superior livestock handling and showmanship ability for each class of livestock will become the basis for selecting the Round Robin Showman.

5. Animals may not be released by the showman until it is controlled by the next showman or designated holder.

6. Exhibitors are required to wear appropriate clothing for qualified species shown. This clothing will be worn throughout the entire Round Robin competition.

7. Animals shown in Round Robin must be the animal shown in species showmanship contests.

JUNIOR LIVESTOCK PREMIUM SALE

Sale Committee and Superintendents: Bill Sparks, Bob Gourley, Truman Wright

1. ALL LIVESTOCK EXHIBITORS MUST BE IN LINE AT THE APPROPRIATE TIME (when the Superintendents tell you to line up) TO SELL ANIMALS OR YOU WILL NOT SELL! Please be prompt.

2. The Junior Livestock Premium Sale is sponsored by Baca County Jr. Livestock Sale, Inc. to provide an avenue for Baca County 4-H and FFA youth to defray the expenses of raising a market animal which further enhances their learning experience on good animal husbandry. Some youth also utilize these funds to fund college and other educational training.

3. The auction is limited to only those animals shown in the market classes in the Junior Livestock Show.

4. To be eligible for the sale, all animals must meet the species minimum weight requirements.

5. Each exhibitor desiring to sell in the sale must commit, in person, his/her animal by 5:00 p.m. on Thursday of Fair Week, in the Fair Office. No animal may be added, substituted or withdrawn after being committed on the sign-up sheet. Questions should be directed to the Extension Agent prior to commitment. Rabbits and Poultry must be committed directly following the show on Friday. Commitment of Rabbits and Poultry prior to show is permitted.

6. All animals entered in this sale will be clearly marked to indicate they have been shown and sold at the Baca County Fair. The Baca County Fair reserves the right to mark animals before and after the sale in any manner they desire.

7. All stock will remain the property and title of the exhibitor until the animal is loaded in the truck following the sale, released, and paid for. Also see Rule #16.

8. Every exhibitor is responsible for the care and feeding of his/her stock until it is loaded. If, in the opinion of the Fair Board, this rule has not been complied with, personnel will

be hired to tend to the stock and the cost will be deducted from the sale price due the seller. The Superintendent, Fair Board or CSU Extension personnel will not be responsible for any equipment or personal property at any time.

9. Neither the Junior Livestock Premium Sale Committee nor the Baca County Fair is liable for any breaches of contract between the exhibitor and buyer.

10. Each exhibitor will be limited to sell a maximum of one (1) animal in the sale. A meat trio pen, pair, or single poultry or rabbit is equivalent to one animal. No more than one species (beef, sheep, swine, goat, poultry or rabbits) may be sold.

11. The original fair entry weight will be used as the weight for the floor plan.

12. All animals will be sold by premium.

13. Exhibitors cannot regain possession of animals.

14. All animals sold in the premium sale will go directly to slaughter or to the buyer.

15. All livestock will remain the property of the exhibitor until they are loaded for shipment and must have been accepted by the purchaser as wholesome. The Fair Board assumes no responsibility for loss due to death or injury to any animals during or following the fair.

16. The services of the auctioneers and sale clerks are donated to the exhibitor and the fair. The clerks designated by the sale management will control all receipts and disbursements.

17. Exhibitors must bring their animals into the sale ring unless an exception has been approved by the CSU Extension Agent. Following the sale, individual animals will be penned or stalled as designated by Sale Superintendents. The exhibitor is to assist with the loading of his/her animals if requested by the Superintendent or Sale Committee Superintendent.

18. Exhibitor should agree to feed and care for his/her animal entered in the sale for a period not to exceed two (2) weeks, if requested by the purchaser.

19. The sale order will be posted in the Fair Office and in the barns the morning of the sale.

20. All pens and stalls must be cleaned and bedding changed by **9:00 A.M.** on sale day.

21. In order to receive payment for animals, the exhibitor must provide a stamped "Thank You" letter he/she is sending to the purchaser. If "Thank You notes" are not turned in, the exhibitor will also not be eligible to sell the following year. Check with your 4-H leader or the extension office before mailing your Thank You notes.

22. Checks or payments for animals sold through this sale will not be available until all payments have been received from purchasers. All checks will be picked up at a location designated by the sale committee.

CLOVERBUD QUICK FACTS

Cloverbud Activity Ribbons and Awards for Fair exhibits sponsored by: Carla and Butch Forrest

Cloverbuds is the non-competitive Colorado 4-H Youth Development Project for 4-H members ages 5, 6 and 7.

Please visit the Colorado 4-H youth enrollment website for more information: <http://www.ext.colostate.edu/ye/>

Objectives:

Provide young children with the opportunity to be involved with 4-H Youth Development to: learn life

skills, increase self esteem, and have fun. The 4-H member Cloverbud project is intended to help develop parent/child relationships through educational programming that parents/guardians can do with their children. Parents/guardians are expected to be involved with 4-H members in the Cloverbud project.

Enrollment:

- Children ages 5, 6 and 7 may enroll only in the 4-H member Cloverbud Project.
- Children in this age group interested in joining 4-H may not be excluded from the program. Counties are to develop a standing policy as to whether members may enroll in existing 4-H clubs, in a group with same age members, work with their own parents or in any combination.
- 4-H member Cloverbuds will enroll through the 4-H Development Enrollment System the same as other 4-H members.
- This age group may not enroll in any other state or county project, other than the 4-H member Cloverbud project.
- 4-H membership will begin at the first year of enrollment in the project and continue through such time as the individual discontinues enrollment.

Recognition: Non-competitive Program

- The 4-H member Cloverbud Project is a non-competitive membership opportunity. 4-H member Cloverbuds are recognized for participation only and should not be awarded recognition based on competition. Members may display their completed projects at the county fair and/or other events, but may not be part of any competitive team or performing group. 4-H member Cloverbud participation in State Fair is not allowed.

Animal and/or Firearms Projects: Colorado State University 4-H Development programs do not allow, support, or recommend the following for youth under the age of eight:

- Large animal activities and project; including but not limited to, cattle, sheep, swine and horses (including horseback riding);
- Small animal projects and activities; and
- Shooting sports activities and projects.

Exploratory activities where the youth under age eight does not have contact with animals or firearms are acceptable. These might include reading about, studying and observing animal behavior and events, or reading shooting information and observing events/animals raised at home. These animals may not be brought to and/or shown at the Baca County Fair.

Rationale for project exclusions based upon developmental research and knowledge

- The child is not mature enough to separate failure from personal feelings about self.
- Inadequate development of judgment ability.
- Inadequate firearm safety and capabilities.
- Lack of insurance coverage.
- Lack of maturity to handle emergency situations.
- Less developed physical abilities, like eye-hand coordination, muscle strength, balance, etc.

- Limited understanding of animal behavior.
- Short attention span, but can complete very simple projects.

CONSUMER AND FAMILY SCIENCE 4-H PROJECT RULES

1. Eligibility: Exhibitors in the divisions of this department must be bona fide members of Colorado 4-H whose project work and records are certified up to date and eligible by the appropriate Extension agent. In addition, exhibitors must be at least eight years of age, must not have reached their 19th birthday as of December 31 of the current enrollment year and must satisfy other eligibility requirements (if specified) for a class, to compete in that class.
2. 4-H members may enter only once in the same class.
3. Members must be enrolled in the project (these projects may be broken down into units, level or categories) in which they exhibit.
4. Only one exhibit in each class will be accepted from each exhibitor.
5. 4-H e-Records may be completed by pencil, ink or computer. The choice will not affect judging. Pencil is preferred for Juniors (8-10).
6. Display boards must meet the specifications. The standardized display board size of 4 ft. x 3 ft. with sides that do not overlap is to be used for 4-H projects.
7. Projects are divided into Junior, Intermediate and Senior age groups. The age for Junior is 8-10, Intermediate is 11-13 and Senior is 14-18.
8. Entry labels: Each exhibit and sturdy binder/notebook (containing e-Record and other materials) is to have a label containing the following: county name, county number, exhibitor name and age.
9. All Grand Champion, Reserve Champion and placing award exhibits must be displayed and remain on display for the duration of the fair.
10. The management will not be responsible for loss or damage to exhibits, though it will use all care to ensure their safety.
11. Note: Exhibits of unusual size or shape may not be on public display. Exhibitor cards and ribbons will be displayed in project areas.
12. Please consult the Colorado State Fair syllabus for the specific requirements and details of each project on page 2 under 4-H Project Exhibit Rules.
For more information on displays and projects research: <https://co4h.colostate.edu/>
13. All exhibits must remain on display until released by department superintendent.

Display of 4-H Exhibits

1. Display boards are made of lightweight cardboard and are sturdy, attractive, inexpensive and white is available at the Extension Office. They come in several colors. When opened, the 1-foot-wide winged sides provide a surface to help the exhibits stand alone on a table top.
A standardized display board size of 4 ft. x 3 ft. with sides that do not overlap is to be used for 4-H projects.
2. No headers or attachments are allowed on the display boards.

Tips:

- Boards must be easily read from a distance of three-five feet. Use large, bold letters (at least 3” high) for title or caption.
- Design the exhibit, keeping in mind the size and shape of the open show board (three surfaces, including the wings).
- When mounting items on the display board, avoid things that are bulky or heavy that could cause the display board to collapse. Mount items securely so they won’t fall off. Tape will not work.
- You have three minutes only for the message to be read; be concise.
- Tell your story with visuals.
- Avoid putting too much in the exhibit. It should never have a crowded look.
- Dark lettering on a light background is most visible.
- Do not use headers or attachments on your display board. Binder/notebook as appropriate for project exhibits.
- No binders with slider closures will be allowed.

LEATHERCRAFT

Project Exhibit Rules for all Units:

1. Put name, age and county on back of exhibit board and on tag attached to individual exhibit articles.
2. Indicate in e-Record whether articles are made from kit or are self-cut and designed by the member.
3. A set means a number of things of the same kind that belong, or are used together (i.e. six matching coasters, belt and buckle with matching designs, etc.).
4. Advanced leathercraft members may exhibit in more than one of the classes, provided the member is enrolled in and has completed the requirements of the unit.
5. Unit 8 is advanced creative stamping. It is recommended that 1st year Juniors take Unit 1 before taking Unit 8.

PHOTOGRAPHY

1. For all units, submit photo material for the current unit being entered. Do not submit previous photos or records.
2. In Levels 1-3 pictures can either be mounted on the journal pages or on card stock.
3. Display photo may be up to 5" x 7" in size. The photo must be mounted on a mat and suitable for hanging without additional frame. No other mounted materials (i.e. glass, wood, plastic, metal etc.) can be used.
4. All photos in the notebook or manual should be 4"x6" unless otherwise indicated in the manual. If the photos do not fit on the page, add a page for the photo.
5. Display photo will be used to display at state fair so be careful when picking your photo. Notebooks will not be displayed.
6. The maximum size of the matted picture is no larger than 8"x 10" (no frame or glass).
7. Binders/Notebooks: Use a hardback, three ring notebook up to 3" in size for all units. No posters or oversized books. Do not use plastic covers on any pages in the unit. All materials must fit within the notebook. Additional pages can be added as needed to exhibit photos. Notebooks will be judged but not displayed.
8. See project requirements for correct labeling.
9. Unit 4 Lightning Photography is not limited to only lightning photos. Youth can exhibit photos taken at night, moon light phases, fireworks, night-time photos. Photos using long exposure and high speed can also be exhibited. Be sure to check out the requirements.

WOODWORKING

Units 1, 2 and 3 in Woodworking have very specific restrictions on the tools used in building an article to display. This is done for reasons of safety and to provide a fair comparison among projects in a unit. An exhibit that shows evidence of not following these restrictions will not be ranked in the top-ten placing. Note: In making all placings, judges will consider straightness; accuracy and smoothness of saw cuts; the difficulty and preciseness of joints; the skill employed in the use of nails, screws, gluing and other hardware; freedom from tool or sandpaper marks; appropriate finish evenly applied; article attractiveness, proportions, and use of proper wood for the intended use; ability to follow instructions; quality of workmanship; and completeness of e-Record. Always use proper safety gear.

MEASURING UP—UNIT 1

Class 2401 Measuring Up Jr.

SECTION 6- CONSUMER SCIENCE

CAKE DECORATING

Project Exhibit Rules:

1. Cake should be placed on a very firm, disposable surface cut parallel to the shape of the cake and no more than 1 ½" on each side from the base of the border (not the cake). The surface should be covered. Freezer paper is not advised because it absorbs grease. Covering must be food-safe.
2. Real cakes required for Units 1-6. Cake forms preferred for Units 7-10, as they hold up better under fair conditions.
3. Lower Units (1-3) should not use Royal Icing or Rolled Fondant as the base frosting. Fondant may be used as decorations in Unit 1. No Fondant can be used in Units 2-3.
4. No non-edible items in Units 1-6.
5. Exhibit requiring over 2'x2' exhibit area must be checked with the superintendent.
6. Cakes will **not** be cut for judging.

CLOTHING CONSTRUCTION

1. Requirement: All exhibit garments must be labeled with name, age, county and unit of the 4-H member. Labels must be attached at the inside of the neckline or at the waistband of skirts and pants. Information must be written or typed on a label and securely attached to inside of garment. This will assist in case of property loss.
2. The garments may be worn before exhibiting but should be in good and clean condition.
3. Sergers may be used as a seam finish, only; not as a

seam for STEAM 1 Clothing.

4. Due to the difficulty of skills involved, buttonholes and button loops are to be used in STEAM 2 Clothing and above.

5. Clothing is defined as wearable, dressy or casual wear, active/sportswear or sleepwear. An exhibit shall consist of no more than three coordinated pieces. No accessory items, i.e. shoes, scarves, hats, etc.

6. Advanced Unit STEAM 3 Clothing-complete one textile experiment using your garment fabric each year. Include this information in your clothing construction e-record: completed experiment sheets and sample mounted (on 8 1/2" x 11" heavy paper). No photos of experiments are allowed. Fabric must be attached. Experiments may be repeated in a subsequent year as long as different fabric is used.

7. Pattern instruction sheet is required and must be attached securely to the e-Record. Write name and club/county on pattern instruction sheet.

8. Do not use binders that are clear plastic with sliders.

9. Members are encouraged to select a unit that challenges their skills. All units will be judged on required skills included in the manual.

10. Garments constructed in STEAM 1,2,3 and Unit 8 are to be made for the member (exception Unit 7– Sewing for others).

Note: All Baca County/Colorado State Fair silk items or garments will be displayed only with "permission to display" form that acknowledges possible fading caused by state fair display lighting. Permission-to-display forms are available at the Extension offices.

HERITAGE ARTS

Note: Please check your e-records project supplement and State Fair Syllabus for all of your required exhibits and reports.

Project Exhibit Rules:

1. Articles may be worn or used before exhibiting, but should be clean and in good condition when exhibited.
2. All exhibits must have the name, age and county of the 4-H member attached. Information must be written on cloth and attached securely to each garment/piece. Note: Small (less than 6"x6") or delicate items should be mounted on 8"x10" foam core board.
3. It is to the member's advantage to include in the record a band from the skein of any commercial yarn or thread used. This is helpful to judges when evaluating the project.
4. All exhibits using patterns must have the pattern or a clear copy securely attached to the record, as this is useful to the judges when evaluating the project.
5. Members are encouraged to select a project that challenges their skills. There are no specific requirements for exhibit items.
6. All workmanship in Heritage Arts projects must be done by the member. All piecing and quilting must be done by the member.

Note: All exhibits are limited to those that use fiber or fabrics, with the exception of Ethnic Arts, open option.

Division 24G—PHOTOGRAPHY

Superintendent – Linda Gibson

Special Rules and Regulations:

1. There will be classes for professional and non-professional photographers. Basis for separation between the two classifications will be:

A. Professionals: Those persons who have sold their photography, who are self-taught for 15 or more adult years, or who teach classes.

B. Non-Professionals:

a. Advanced: Those persons who have studied photography or have attended workshops, or self-taught for five or more years and less than 15 years.

b. Beginners: Those persons who have photographed or studied four or less years.

2. All photographs must be properly prepared for display and not larger than 16” by 20”.

3. If photo is framed, no glass is allowed, but plexiglas is okay. Frames must have screw eyes and wire attached for hanging. If photos are not framed, they must be matted with a heavy backing. If matted and backed, they should be prepared for hanging either by punching holes in the top portion of matting with heavy string or wire attached, or use of a large binder clip. No glue or tape can be used to attach

string or wire. The Baca County Fair personnel are not responsible for damaged pictures.

4. Professional classes to exhibit only original works. An original is defined as any photograph that is not a copy of another's photograph.

5. Non-professionals may exhibit from workshops or classes as long as the work is completely their own.

6. Judging is based on perspective, technique/style, hue/value, composition/design, overall appearance, originality, style/emotion, and rhythm/focal point—not on matting or frame.

DEPARTMENT 26—FIELD CROPS AND HORTICULTURE

Open youth crops and horticulture

Superintendents— Anita Bishop, Marcella Swanson

Note: Judging is open to spectators.

Special Rules and Regulations:

Only youth 19 years and younger are eligible to exhibit in Open Youth Crops or Horticulture Department.

1. These classes are open to field and horticulture crops grown in Baca County.
2. Violation of the regulations relative to the number, size, weight, volume, etc. will be automatic disqualification.
3. Any insect infected exhibit will be disqualified.
4. The Superintendent shall rule on proper classification of exhibits. No changes in classification will be made at the time of judging.
5. When any other variety is designated, the variety must be named or it will be disqualified.
6. All hybrid corn and hybrid sorghum must be named by company and variety. All other exhibits must be named by variety.
7. For all classes calling for named variety, no premium will be awarded an entry where variety name is not shown on the entry tag.
8. All entries must be current year's production except peck, head, and ear samples of corn, sorghum, beans, wheat, millet, alfalfa seed, and sheaves, all of which may be the prior year's production.
9. An exhibitor may make only two entries in any one class.
10. All hybrid corn and hybrid sorghum exhibits must be named by company and variety. All other exhibits must be named by variety.
11. Sheaf or Bundle Exhibits:
 - A. Sheaves, small grains, and grasses—3 inches
 - B. Sheaves, sorghum, sudan grass, alfalfa, clover, oats for hay, millet for hay—6"
 - C. Bundles, sudan, and forage sorghum—8 inches
 - D. Bundles, corn (do not include roots), tied top and bottom—6 stalks. Sheaves of small grains and grasses, clovers, and alfalfa will be judged on sheaf makeup, head type, straw quality, and quality of grain. Sheaves of alfalfa, clovers, grasses, and sorghums will be judged for feed quality, as well as sheaf makeup. No restrictions on year of production for any classes unless stated otherwise. Judges are instructed to give substantial preference to current year's exhibits. Sheaves are essentially decorative and may be shown more than one year if they remain in good condition. Diameter of sheaves or bundles at center tie should be as follows: Sheaves, small grains and grasses, wheat, oats, and barley—3 inches; Sheaves, sorghum, Sudan grass, alfalfa, clover, oats, and millet for hay—6 inches; Bundles, Sudan and forage sorghum—8 inches; Bundles, corn (do not include roots), tied top and bottom—6 stalks. Sheaves of small grains and grasses, clovers, and alfalfa should be mounted on uniform size, thin building boards.

12. Seed or Peck Exhibits: Seed and peck entries should be clean, appropriate to variety, uniform in color and seed size. Samples should be free of cracked or split seed, any foreign substances, or any other variety seed. Seed may be weighed during judging with the weight of seed a factor in determining final placings.

13. A plate of fruit must contain the following number of specimens: Apples—4; peaches—4; pears—4; grapes—1 bunches; all plums and prunes should consist of 4 fruits; cherries—8.

PLEASE NOTE THAT ALL OPEN FIELD CROP ENTRIES ARE THE SAME LOT NUMBERS AS THE OPEN YOUTH CROPS.

Division 26A-FIELD CROPS AND YOUTH OPEN CROPS
