2024 FAIR THEME
“Country Roots & Cowboy Boots”

In keeping with tradition, observance of our heritage and recognition of the future, the fair is based upon a theme created by a resident of Baca County. 4-H Clubs and FFA Chapters are **required** to follow the theme in their entries in the parade and/or booths.

GENERAL INFORMATION RULES AND REGULATIONS

NOTICE TO ALL EXHIBITORS

THE FOLLOWING RULES ARE GENERAL IN NATURE AND APPLY TO ALL DEPARTMENTS.

SPECIAL RULES PERTAINING TO EACH DEPARTMENT OR DIVISION ARE LISTED IN THAT RESPECTIVE DEPARTMENT OR DIVISION AND SHOULD ALSO BE CONSULTED. **IT IS THE RESPONSIBILITY OF THE EXHIBITOR TO BE FAMILIAR WITH THESE RULES.**

An exhibitor may be excluded from future competition and forfeit all privileges, premiums and awards, and may be subject to additional penalties as the Fair Board and Extension Agent may order.
4. Competition/show for open classes is open to all participants who qualify according to department specific rules, regardless of county residency. Competition/show Junior Livestock Shows is limited to bonafide members of the Baca County 4-H Program or Baca County FFA Program.
5. 12. The Baca County Fair Board and CSU Extension Office shall reserve the right to declare as ineligible and remove any entry that has been entered in violation of these rules.

13. Fair Superintendents, after consulting with the CSU Extension Agent, reserve the right to reject any exhibit, make changes in existing rules, or combine classes if such classes will improve the fair. All Rule Changes must be clearly posted.

14. Adding classes in addition to those printed in this premium book is at the discretion of the Superintendent and with the permission of the CSU Extension Agent.

15. The Baca County Fair Board, County Commissioners, and CSU Extension do not discriminate on the basis of race, color, sex, religion, age, disability, veteran, marital status or national origin in its policies or activities.

16. Articles entered for show in the fair must be the work of the exhibitor.

17. Exhibitors are limited to only two entries in any one class in the open and junior divisions.

18. Exhibits may not be advertised for sale during the fair.

1. All general rules and regulations of the Baca County Fair pertain to the Junior Show.
2. All exhibitors in the Junior Division must be a member in good standing of a Baca County 4-H Club, or FFA Chapter and must be enrolled in the project in which he or she is exhibiting. High School graduates may exhibit through the summer of their high school graduation year.

JUNIOR LIVESTOCK SHOW

Special Rules and Regulations:

1. All general rules and regulations of the Baca County Fair and Junior Show Rules and Regulations pertain to the Junior Livestock Show.
2. All members must attend a Meat Quality Assurance Training when required. It is the responsibility of the member to know these requirements. They must also have

a Meat Quality Assurance Agreement form on file at the Baca County Extension Office prior to the start of the fair. The MQA test must be taken the first two years a 4-Her enrolls in a livestock project, and at the first year of each new level, Intermediate, or Senior. This form will be retained by the Extension Office. Exhibitors with questions, please consult the CSU Extension office by March 1 each year.

3. An up-to-date livestock record book(s) must be turned in to Extension office or brought to pre-Fair Clean-up Day from 2-5 PM and checked for the 4-H'er to be able to show or sell an animal in the current year's Fair.

4. All completed livestock record books must be turned into the Extension Office by the second Tuesday in September (of the current year) for the 4-Her to be able to show or sell in the next year.

5. All 4-H and FFA Exhibitors are required to be at clean-up days before AND after Fair unless excused by the Extension Agent or Fair Board President.

6. All 4-H and FFA Exhibitors are required to enter and show in their respective species showmanship class to be eligible to show and sale at the current year's Baca County Fair. This rule is in effect for all species, market and breeding, for all entered animals. Those members showing in both breeding and market in the same species are only required to enter showmanship once for that species. Members must exhibit in showmanship for any and all species they intend to show and or sale. Any animal deemed too unruly to handle is ineligible to exhibit and will be removed from the show ring and/or the Baca County Fairgrounds immediately if requested by the Superintendent in charge or the CSU Extension Agent. If a member's only animal is removed for unruly behavior, another exhibitor's animal may be used to complete the showmanship requirement; however, the individual is not eligible to receive Champion or Reserve Champion Showman.

7. Exhibitors in the Junior Livestock show must have continuously owned, had in their possession and personally cared for their livestock on or before the following current year's date or the weigh-in date selected by the Extension Agent for market animals, listed below, and be able to provide proof of ownership by the listed dates:

Market Steers and Heifers.....	March 14
Breeding Animals (all species).....	May 1
Horses & Dogs.....	May 1
Market Lambs and Goats	May 3
Market Swine.....	May 16
Market Chickens.....	June 15
Breeding Turkeys	June 1
Market Rabbits	July 3

8. All animals with the exception of horses, cannot be owned in any type of partnership and must be the sole property of the Exhibitor.

9. Females exhibited in this Junior Livestock Show may be registered or grade animals unless otherwise specified. All registered animals, except for horses, must be registered in the name of the junior exhibitor prior to May 1 of the current year.

10. Exhibitors of all breeding and market livestock are required to show an Affidavit of Ownership on all

animals exhibited. These ownership affidavits must have been issued in the name of the exhibitor and a copy placed on file in the CSU Extension Office by the deadlines outlined in Rule #7. Only affidavit forms available at the CSU Extension Office will be acceptable and must be filled out completely. This important document is used to verify origin, as well as Baca Bred and Fed Awards.

11. All market beef, sheep, goats, and rabbits must be weighed and tagged/tattooed on the scheduled weigh-in dates to be eligible to show at the Baca County Fair. Any extenuating circumstances must be brought to the attention of the Extension Agent and animals may be weighed and tagged/tattooed prior to the scheduled weigh-in date at the discretion of the Extension Agent. If a member is unable to attend weigh-in, their animal(s) can be brought to scheduled weigh-in by someone other than the member.

12. An ear tag, leg band or permanent mark must identify all livestock exhibited in the various market classes. Tagging of animals will be done when they are weighed on dates specified by the Extension Agent.

13. All market animals must have received individual ownership designation at the time of tagging.

14. Any market animal exhibited at the Baca County Fair Junior Livestock Show may not have been shown at any livestock show such as the Colorado State Fair or National Western Stock Show or any state, national or any other County Fair Livestock show.

15. Animals deemed unworthy of competition by the Superintendents or Fair Board may be barred from competition and shall be immediately removed from the fairgrounds.

16. Exhibitors of livestock must exercise due discretion in regard to the animals they are exhibiting whether in the ring, stall, pen, or other places on the fairgrounds and must assume all responsibility for any damages caused by or to their animal.

17. Exhibitors, at all times, must give their exhibits necessary personal attention, and extreme good care while located on the Baca County Fairgrounds.

18. The Superintendents shall exclude stock from competition should there be any unnecessary or embarrassing delay on the part of the exhibitors in bringing animals into the show or sale rings. There is no appeal or protest for this judgment call.

19. Stalls/pens for the Baca County Fair will be available in designated areas for the species. The species Superintendent will assign stalls.

20. A "Family Animal/Pen" can be weighed-in at the species weigh-in date, in the spring, or upon nomination. At that time, the animal is assigned to the family, not an individual member. This animal is only to be used IN AN EMERGENCY if one of the families other nominated animals has died, been crippled, or diseased and is unable to show at the Baca County Fair. The "Family Animal/Pen" is not to be used if he/she becomes a better prospect for showing. In the case of one of the emergencies listed above, the CSU Extension Agent must be contacted. At that time, the "family animal/pen" will be assigned to the appropriate youth in replacement of their previously nominated animal. This ruling cannot be challenged. Youth may be asked to verify the death or illness. In the case that no death, illness, or lameness

occurs, the “family animal/pen” is eligible for sale on the floor plan only and not to show. In order for the animal to sale on floor plan, it must be weighed-in at fair weigh-in and signed up on the floor plan list by an active 4- H or FFA member from that family by the designated time.

21. Exhibitors must accompany their livestock to the show, care for, and exhibit their animals. Only the exhibitor will be allowed in the show ring during official judging. In case of sickness or emergency, an animal may be shown by a substitute, providing the substitute is a bona fide Baca County 4-H or FFA member and permission is granted by the Superintendent and/or the CSU Extension Agent.

22. In market classes, the Superintendents will determine class divisions and the number of animals in each class after the animals are weighed. Classes and weights will be posted in barns as soon as possible after weigh-in.

23. Each Department Superintendent reserves the right to group or combine classes for the sake of competition and the good of the show.

24. The official weight for entry and sale of livestock will be made at time of weigh-in. State of Colorado Certified Scales will be used. Animals are to be weighed-in at specified times. No early weigh-ins of any animal is allowed. Market animals will only be weighed once deeming the official entry weight. There will be no reweighing of market animals. Animals must enter the scale clean and dry with only a halter or collar on. Market animals can be exhibited by weight, breed or both.

25. Entry weights will be used for market classes and “floor plan” weight. Minimum market weights are: Pigs—210 lbs.; lambs—100 lbs.; goats—50 lbs.; and market beef -1,000 lbs. Animals failing to meet the market class and sale weight requirements may be taken home or shown in the under-weight or feeder classes. ***These animals are not eligible for champion designation, for the sale, or the floor plan.*** No premiums will be paid on underweight classes. Pigs on the “floor-plan” will only be paid to 270 pounds. State Fair pigs may be taken home after the Swine Show with written permission from the Swine Superintendents and submitted to the Fair Office.

26. Any animal fed in a commercial feed lot will be disqualified and be prohibited from showing and selling.

27. All animals exhibited may be subject to examination by a licensed veterinarian and elimination from the show if the veterinarian so advises.

28. It is the exhibitor’s responsibility to be at the proper place and time for entry, weigh-in, showing, and selling of their exhibit.

29. Any animal deemed too unruly to handle is ineligible to exhibit and will be removed from the show ring and/or the Baca County Fairgrounds immediately if requested by the Superintendent in charge or the CSU Extension Agent.

30. The Baca County Fair will not furnish straw or bedding. Members are responsible for providing, laying, replacing, and cleaning their own bedding of choice.

31. Pens, stalls and tie-outs are to be kept clean during the entire fair and be cleaned by the exhibitor prior to being released from the fair.

32. ***Unethical practices will not be condoned. Unethical practices include but are not limited to, the following:***

federal, state, or local law.

3. Cutting or tearing of the hide, cutting or tearing underneath the hide, or removal of tissue in any attempt to alter, change or modify the shape or appearance.

4. Any artificial means of removing or remedying physical defects or conformation (i.e., doctoring, doping, tubing, injection, or lifting or filling under the skin).

13. The removal, alteration, changing, or purposely damaging ear tags.

Any exhibitor found guilty of the above listed unethical practices, or any other practice deemed unethical by the Baca County Fair Board or Baca County Extension Agent will forfeit all premium monies, not be allowed to sell in the Junior Livestock Premium Sale, and the owner of the animal may be barred from any future shows.

33. The Baca County Fair is a "Blow and Go Show". Fitting practices that are prohibited for all livestock species include but are not limited to the following:

1. The use of glue and/or adhesive products is prohibited.

2. Artificial color (paint) will be permitted for presentation/touchup purposes only, any attempt to change the original color and/or marking of the animal will be prohibited. Any animal that shows evidence of artificial color across the body when rubbed with a cloth or glove shall be disqualified.

3. No foreign matter, added hair, or artificial hair will be allowed on any animal.

Exhibitors in violation of these Blow and Go rules will

not be allowed to show.

40. Any antibiotic, medication, pesticide, or other substance administered to any market animal on the fairgrounds will be administered by or under the direct supervision of a licensed veterinarian or with the approval of the Superintendents and CSU Extension Agent.

41. The Baca County Fair Board reserves the right to screen or test any market animal for drug residues of any nature and take any action deemed appropriate if testing results show any positive residues above naturally occurring levels. Random checks for drug residue and disease will be performed by licensed veterinarians and slaughtering plants. Any 4-H or FFA member found to be in violation will forfeit all monies, not be eligible for the Junior Livestock Premium Sale and may be barred from any future shows.

42. All persons from outside Baca County, except those families who are members of Baca County 4-H Clubs or FFA Chapters, are prohibited from fitting, caring for, and handling junior livestock exhibits.

43. Exhibitors are not permitted to bring portable scales into the barn area.

The judge and/or show management will make the final decision concerning stopping and repair of equipment.

No animal may be added, substituted or withdrawn after being committed on the sign-up sheet. Questions should be directed to the Extension Agent prior to commitment.

6. All animals entered in this sale will be clearly marked to indicate they have been shown and sold at the Baca County Fair. The Baca County Fair reserves the right to mark animals before and after the sale in any manner they desire.

7. All stock will remain the property and title of the exhibitor until the animal is loaded in the truck following the sale, released, and paid for. Also see Rule #16.

8. Every exhibitor is responsible for the care and feeding of his/her stock until it is loaded. If, in the opinion of the Fair Board, this rule has not been complied with, personnel will be hired to tend to the stock and the cost will be deducted from the sale price due the seller. The Superintendent, Fair Board or CSU Extension personnel will not be responsible for any equipment or personal property at any time.

9. Neither the Junior Livestock Premium Sale Committee nor the Baca County Fair is liable for any breaches of contract between the exhibitor and buyer.

10. Each exhibitor will be limited to sell a maximum of one (1) animal in the sale. A meat trio pen, pair, or single poultry or rabbit is equivalent to one animal. No more than one species (beef, sheep, swine, goat, poultry or rabbits) may be sold.

11. The original fair entry weight will be used as the weight for the floor plan.

12. All animals will be sold by premium.

13. Exhibitors cannot regain possession of animals.

14. All animals sold in the premium sale will go directly to slaughter or to the buyer.

15. All livestock will remain the property of the exhibitor until they are loaded for shipment and must have been accepted by the purchaser as wholesome. The Fair Board assumes no responsibility for loss due to death or injury to any animals during or following the fair.

16. The services of the auctioneers and sale clerks are donated to the exhibitor and the fair. The clerks designated by the sale management will control all receipts and disbursements.

17. Exhibitors must bring their animals into the sale ring unless an exception has been approved by the CSU Extension Agent. Following the sale, individual animals will be penned or stalled as designated by Sale Superintendents. The exhibitor is to assist with the loading of his/her animals if requested by the Superintendent or Sale Committee Superintendent.

18. Exhibitor should agree to feed and care for his/her animal entered in the sale for a period not to exceed two weeks, if requested by the purchaser.
19. The sale order will be posted in the Fair Office and in the barns the morning of the sale.
20. All pens and stalls must be cleaned and bedding changed by **9:00 A.M.** on sale day.
21. In order to receive payment for animals, the exhibitor must provide a stamped "Thank You" letter he/she is sending to the purchaser. If "Thank You notes" are not turned in, the exhibitor will also not be eligible to sell the following year. Check with your 4-H leader or the extension office before mailing your Thank You notes.
22. Checks or payments for animals sold through this sale will not be available until all payments have been received from purchasers. All checks will be picked up at a location designated by the sale committee.

CLOVERBUD QUICK FACTS

Cloverbud Activity Ribbons and Awards for Fair exhibits sponsored by: Carla and Butch Forrest

Cloverbuds is the non-competitive Colorado 4-H Youth Development Project for 4-H members ages 5, 6 and 7. Please visit the Colorado 4-H youth enrollment website for more information: <http://www.ext.colostate.edu/ye/>

Objectives:

Provide young children with the opportunity to be involved with 4-H Youth Development to: learn life skills, increase self esteem, and have fun. The 4-H member Cloverbud project is intended to help develop parent/child relationships through educational programming that parents/guardians can do with their children. Parents/guardians are expected to be involved with 4-H members in the Cloverbud project.

Enrollment:

- Children ages 5, 6 and 7 may enroll only in the 4-H member Cloverbud Project.
- Children in this age group interested in joining 4-H may not be excluded from the program. Counties are to develop a standing policy as to whether members may enroll in existing 4-H clubs, in a group with same age members, work with their own parents or in any combination.
- 4-H member Cloverbuds will enroll through the 4-H Development Enrollment System the same as other 4-H members.
- This age group may not enroll in any other state or county project, other than the 4-H member Cloverbud project.
- 4-H membership will begin at the first year of enrollment in the project and continue through such time as the individual discontinues enrollment.

Recognition: Non-competitive Program

- The 4-H member Cloverbud Project is a non- competitive membership opportunity. 4-H member Cloverbuds are recognized for participation only and should not be awarded recognition based on competition. Members may display their completed projects at the county fair and/or other events, but may not be part of any competitive team or performing group. 4-H member Cloverbud participation in State Fair is not allowed.
- Animal and/or Firearms Projects: Colorado State University 4-H Development programs do not allow,

support, or recommend the following for youth under the age of eight:

- Large animal activities and project; including but not limited to, cattle, sheep, swine and horses (including horseback riding);
- Small animal projects and activities; and
- Shooting sports activities and projects.

Exploratory activities where the youth under age eight does not have contact with animals or firearms are acceptable. These might include reading about, studying and observing animal behavior and events, or reading shooting information and observing events/animals raised at home. These animals may not be brought to and/or shown at the Baca County Fair. Rationale for project exclusions based upon developmental research and knowledge.

- The child is not mature enough to separate failure from personal feelings about self.
- Inadequate development of judgment ability.
- Inadequate firearm safety and capabilities.
- Lack of insurance coverage.
- Lack of maturity to handle emergency situations.
- Less developed physical abilities, like eye- hand coordination, muscle strength, balance, etc.
- Limited understanding of animal behavior.
- Short attention span, but can complete very simple projects.

CONSUMER AND FAMILY SCIENCE

4-H PROJECT RULES

1. Eligibility: Exhibitors in the divisions of this department must be bona fide members of Colorado 4-H whose project work and records are certified up to date and eligible by the appropriate Extension agent. In addition, exhibitors must be at least eight years of age, must not have reached their 19th birthday as of December 31 of the current enrollment year and must satisfy other eligibility requirements (if specified) for a class, to compete in that class.
2. 4-H members may enter only once in the same class.
3. Members must be enrolled in the project (these projects may be broken down into units, level or categories) in which they exhibit.
4. Only one exhibit in each class will be accepted from each exhibitor.
5. 4-H e-Records may be completed by pencil, ink or computer. The choice will not affect judging. Pencil is preferred for Juniors (8-10).
6. Display boards must meet the specifications. The standardized display board size of 4 ft. x 3 ft. with sides that do not overlap is to be used for 4-H projects.
7. Projects are divided into Junior, Intermediate and Senior age groups. The age for Junior is 8-10, Intermediate is 11-13 and Senior is 14-18.
8. Entry labels: Each exhibit and sturdy binder/notebook (containing e-Record and other materials) is to have a label containing the following: county name, county number, exhibitor name and age.
9. All Grand Champion, Reserve Champion and placing award exhibits must be displayed and remain on display for

the duration of the fair.

10. The management will not be responsible for loss or damage to exhibits, though it will use all care to ensure their safety.

11. Note: Exhibits of unusual size or shape may not be on public display. Exhibitor cards and ribbons will be displayed in project areas.

12. Please consult the Colorado State Fair syllabus for the specific requirements and details of each project on page 2 under 4-H Project Exhibit Rules.

For more information on displays and projects research:

<https://co4h.colostate.edu/>

13. All exhibits must remain on display until released by department superintendent.

Display of 4-H Exhibits

1. Display boards are made of lightweight cardboard and are sturdy, attractive, inexpensive and white is available at the Extension Office. They come in several colors. When opened, the 1-foot-wide winged sides provide a surface to help the exhibits stand alone on a table top.

A standardized display board size of 4 ft. x 3 ft. with sides that do not overlap is to be used for 4-H projects.

2. No headers or attachments are allowed on the display boards.

Tips:

- Boards must be easily read from a distance of three-five feet. Use large, bold letters (at least 3” high) for title or caption.
 - Design the exhibit, keeping in mind the size and shape of the open show board (three surfaces, including the wings).
 - When mounting items on the display board, avoid things that are bulky or heavy that could cause the display board to collapse. Mount items securely so they won’t fall off. Tape will not work.
 - You have three minutes only for the message to be read; be concise.
 - Tell your story with visuals.
 - Avoid putting too much in the exhibit. It should never have a crowded look.
 - Dark lettering on a light background is most visible.
 - Do not use headers or attachments on your display board. Binder/notebook as appropriate for project exhibits.
 - No binders with slider closures will be allowed.
