Cody Groff, Superintendent

Note: Please read 4-H Project Exhibit Rules on pages 3 and 4.

Project Exhibit Rules:

- A. There is one e-Record that contains the inventory sheet and the discipline-specific activity log records for all the disciplines that are required for this project.
- B. Be sure to include the activity log for the discipline that you are exhibiting in your record book. If you are planning to do a shooting sports exhibit in more than one discipline at the county or state fair, you will need to have a separate e-record for each exhibit with the discipline specific activity log.
- C. Display should illustrate a chosen aspect of skill areas. This is separate from the Colorado State 4-H Shooting Sports Championships. (The standardized display board size of 4 ft. x 3 ft. is to be used with 4-H projects. No additional items may be included on or in front of the display board.) No wooden display cases. No humanoid targets are allowed in any form, including within photographs or drawings.
- D. Counties may enter only one exhibit per class. Members may have entries in both the display board classes and the stand-alone classes.
- E. **No** live ammo or projectiles including pellets, round balls, or arrows (with or without field points, broadheads), knives, functional or nonfunctional firearms (i.e., replica firearms, hand-made, or toy-type, etc.) or bows will be allowed as an exhibit. 2-D cardboard or paper cutouts resembling firearms or bows are allowed for display purposes in the Display, Stand-Alone, and Decorative Item classes.
- F. Do not use the word weapon when creating your display. Make sure that there are no safety violations in your display. (Example: no earplugs, no safety glasses on a photo of a youth firing his/her gun.) Do not use pictures of firearms that are primarily tactical in design in your display, i.e., AR platform or military type firearms.
- G. Historic photos or artist depictions used in exhibits that are not displaying current 4-H practices must have the following disclaimer posted with them, "These are historic photographs and artist renderings. Therefore, they do not follow modern safety protocols for Colorado 4-H."
- H. The display board topics should stay in close relationship with your discipline. Please do not use topics outside the scope of your 4-H project. (Example: .22 Rifle Project should not use the topic of different types of military machine guns.)
- I. Stand-alone items are items that are made to enhance the discipline, such as a quiver, gun case, gun stand, etc. No display boards or decorative items are allowed in the Stand-Alone Classes.
- J. All items in the Stand-Alone and Decorative Item classes will be a maximum size of 3 feet wide, 3 feet deep and 7 feet in height as the item is intended for display. The item must be stable when standing to be displayed within the 3' x 3' space. If an exhibit is larger than this, a notebook can be used as an exhibit showing how and what was made.
- K. For those members who are exhibiting both a display board and a stand-alone, they may copy their e-Record. Each exhibit must have an e-Record. Be sure to highlight what you are exhibiting in your e-Record.
- L. No stand-alone items that are an exhibit at the time of the contests will be allowed to be removed from the building to be used at the contests.
- M. Items to be exhibited in the Decorative Item class are items that are used to decorate a room, building, etc. Be sure to look at the classes to determine where your exhibit item fits.
If you have questions about your display or requirements, contact your county Extension 4-H Specialist/**Coordinator**.
